

Setting up your LSUA Email account on your iPhone or iPad

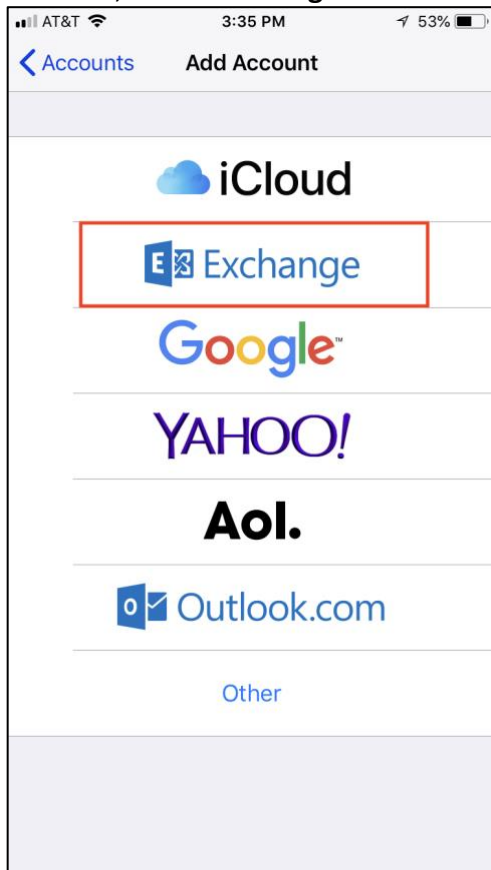

1. Using the iPhone, navigate to **Settings**.
2. Select **Mail, Contact, Calendars or Accounts & Passwords**

3. Select **Add Account**.

4. Next, select **Exchange**.

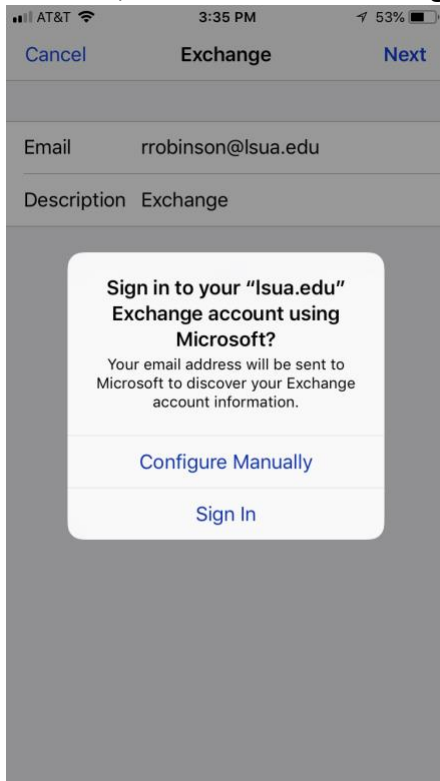

5. Next, fill in the requested information:

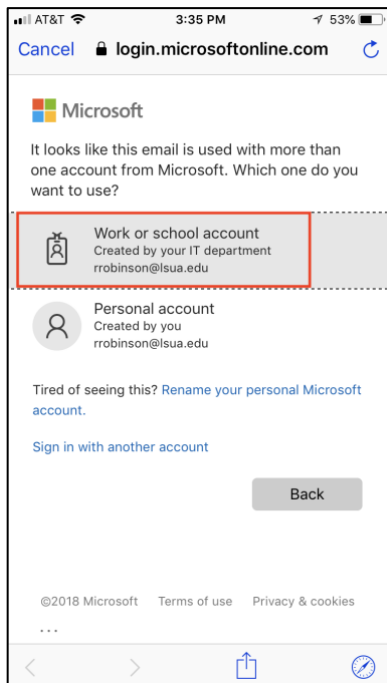

- **Email:** Your full LSUA e-mail address (i.e. jdoe001@lsua.edu).
 - ***If you are at AMOA, your email address is firstname@themuseum.org.*
 - ***If you are at University Academy, your email address is firstname.lastname@uacenla.com*
- **Description :** Enter a description for this account (i.e. LSUA Email).

A screenshot of an iPhone screen showing the 'Exchange' account setup screen. The status bar at the top shows 'AT&T', '3:35 PM', and '53%' battery. The screen has a title bar with three buttons: 'Cancel' (in blue), 'Exchange' (in bold black), and 'Next' (in grey). Below the title bar, there are two input fields. The first field is labeled 'Email' and contains the text 'email@example.com'. The second field is labeled 'Description' and contains the text 'My Exchange Account'.

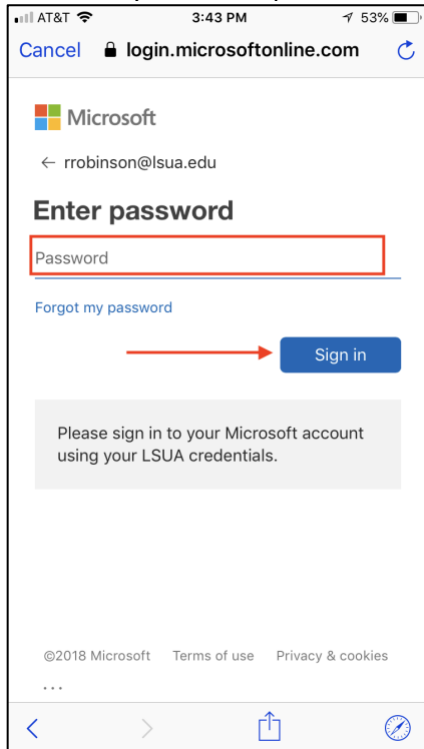

6. Then, click **Next** and select **Sign In**.

7. Select **Work or school account**.

8. Enter your LSUA password and click **Sign in**.

9. Once verified, you can select which items that you would like to synchronize with your iPhone. After you have made your selections, simply click on Save to begin the synchronization.

Your LSUA email will now be available on your iPhone or iPad.

Please note that the above instructions may differ slightly depending on the IOS version on your phone. If so, be sure to enter the domain (lsua.edu) and the server (mail.lsua.edu) in the correct locations.
