The screenshot displays the 'Week Six: Quiz' interface. At the top left, the title 'Week Six: Quiz' is visible. Below it is a purple banner with the 'LSUA' logo and the text 'Week Six: Assessment'. The main content area contains the instruction: 'Please read the following case - provide your written essay response in the box provided during the test.' Below this, it states 'Grading method: Highest grade' and 'Attempts: 5'. A 'Preview quiz now' button is located at the bottom center. On the right side, there is a settings menu with a gear icon at the top. The menu items are: 'Edit settings', 'Group overrides', 'User overrides', 'Edit quiz', 'Preview', 'Results', 'Grades', 'Responses', 'Statistics', 'Manual grading', and 'Locally assigned roles'. A red arrow points to the 'User overrides' option.

- 3) Select "User Overrides".
- 4) You will be brought to the options page. At this time you will select the student you wish to provide the accommodation. You will have the option to set a password (for proctored exams), when the quiz is available, their time limit, and attempts.
