

# Modifying a Correct Answer in Question Bank

- 1) Select question bank on the left hand side of your class page under the administration block.

- 2) Use the category filter to adjust what test bank you need to adjust.

- 3) Once locating the questions, select the gear icon next to it to modify.

	Question		Created by	Last modified by

- 4) The correct answer should have 100% next to the grade. The rest should all say "None".

A screenshot of the question editor interface. It shows two choice items. 'Choice 3' has a grade of '2' and 'None'. 'Choice 4' has a grade of '5' and '100%'. Red arrows point to the 'None' and '100%' grade fields. The interface includes text input fields for the choice descriptions, grade values, and feedback text, along with icons for formatting and saving.

- 5) Select save changes at the bottom of the screen.
